Newsletter - November 2016

It's that time of year again when we look forward to you attending the very popular **Christmas Dinner Dance Saturday 3rd December - 6.45pm at Colney Heath School.** This year our event coincides with the wedding of Pam & Peter Fox's daughter Emily and several of our members will be absent from the dinner so to make up numbers please encourage your family and friend to join you & enjoy the festive fun evening.

Billy Allen & his Band will be providing the live music to dance the night away. **Ticket price £25 per head.** A four course meal will be served but please bring your own wine / drinks to accompany your meal. As the School is a **NUT free zone** please **do not** bring any type of **nut** into the building. Please see attached page for details of the Menu choice & there is a 'tear off' slip which **MUST** be returned to Sue Rowland **no later than Sunday 20th November.**

Again this year we are asking for volunteers to help with the setting up on the Saturday afternoon, serving of each course along with the clearing away / washing up following the event.

Your assistance will be greatly appreciated by the committee.

This is a brief report on the BBQ & Boule afternoon where in very sunny conditions 24 attended. Everyone enjoyed cooking and eating various tasty BBQ delights, accompanied by delicious salads and all in a relaxed atmosphere. After lunch 21 took part in the Boule competition with John Rowland & Alan Kahl making the final which was a very close match with 6 points each – nip n tuck all the way & down to the last end when John emerged as the triumphant Trophy winner.
