### Review of events

*The sun shone for our annual BBQ and Boules event which, as previously, was held at the Scout Hut at Roestock Playing fields. There was a good turnout of members and friends cooking their own food on the BBQ. Salads and bread were provided by the committee and washed down with refreshments. As usual, it was great to catch up on news, and once the feast had been consumed, it was time for the boules competition. This, in its customary style, was very competitive with several preliminary rounds, the winners of which competed in the final, Alun Puddefoot ultimately being victorious.*

**Pat King**

It is sad to report that Pat King, wife of Alan (Chairman after Dudley Wood) passed away on September 8<sup>th</sup>. She was for years our unofficial translator on trips to Boissy and in translating speeches on our Saturday night soirrees.

The celebration of her life was attended by a dozen or so Twinning members that was held at the Surrey and Sussex crematorium in Crawley and afterwards at Horsham where she and Alan had moved to be near their daughter Caroline and their son Ian's families.

A contribution of £50 was made to Macular Society on behalf of CBTA.
